CME OUTFITTERS EARNS CERTIFICATION FROM WOMEN'S BUSINESS ENTERPRISE NATIONAL COUNCIL (WBENC)

May 5, 2009

CME Outfitters, LLC, an independent accredited provider of multidisciplinary medical education programming and related healthcare communications services, received national certification as a Women's Business Enterprise by the Women Presidents' Educational Organization of Washington, D.C. (WPEO-DC), a regional certifying partner of the Women's Business Enterprise National Council (WBENC).

WBENC's national standard of certification implemented by the WPEO-DC is a meticulous process including an in-depth review of the business and site inspection. The certification process is designed to confirm the business is at least 51% owned, operated, and controlled by a woman or women.

By including women-owned businesses among their vendors, corporations and government agencies demonstrate their commitment to fostering diversity and the continued development of their supplier/vendor diversity programs.
